EXT. SCHOOLYARD - DAY

MORGAN approaches ANDY at a table.

MORGAN
Hey Andy! Can you hold this for me?

ANDY
What!? EWW! No way!

MORGAN
Come on! It won't hurt you.

ANDY
I wouldn't touch that thing with a ten foot pole. I wouldn't touch it while wearing Iron Man's suit. I wouldn't touch it--

MORGAN
Okay! Okay. I get it. I'll find someone else.

Morgan leaves.

ANDY
Wait!

Morgan returns.

MORGAN
What?

ANDY
I might be willing to watch it for you.

MORGAN
Watch it.

ANDY
Yeah. Watch it. Just set it right... Over here. Like right here. And I'll watch it for you.

MORGAN
I don't know... Will it be safe?

ANDY
Absolutely safe!

MORGAN
Completely safe?

ANDY
Fort knox safe!

MORGAN
Okay.

ANDY
Okay.

Morgan sets down the object and exits.

Andy pulls out a granola bar and unwraps it.

ANDY (CONT'D)
I thought they'd never leave! Wanna bite?
